

Dear Potential Donor,

We invite you to be part of something that has helped over a thousand special kids make life friends, have fun, and learn to play the great American game of baseball. All league players are special in need, and all participate at their own ability. We strive to give our children and adults the opportunity to feel the joy of teamwork and success that can be rare in the life of a special needs individual. We welcome you to come visit our complex and see families enjoying the connection and support of our community in action.

None of this would be possible without our volunteers, players, friends, families, and sponsors. We want you to become a member of our program by becoming a sponsor. The funds raised help cover the cost of uniforms, baseball equipment, field maintenance, sending players to the annual Challenger State Tournament, and various other items associated with having a quality baseball program. Your support helps maintain our two beautiful handicap  accessible ball fields. We recently added additional paved parking, and a score board. Without our sponsors, none of this would be possible.

Contributions are tax deductible. The league is run solely by volunteers, who receive **no** compensation. All donations 100%, go directly to supporting our players and facility. Consider being one of our sponsors, options include:

Scoreboard Sponsor - \$600
